Respite Volunteers of Shiawassee provides caring support to Shiawassee County adults with persistent health needs and their families. Volunteers provide respite (temporary rest or relief) to individuals and family caregivers. This temporary break from their caregiving responsibilities enables caregivers to run errands, go to their own appointments & return refreshed and better able to cope with their situation. Respite Volunteers also visit elderly living alone helping them to remain living safely at home for as long as possible.

Want to be a Respite Volunteer?

If you, or someone you know, would like to become a Respite Volunteer please call 989-725-1127.
